

Methodists Clear Site To Start On Building

Land is being cleared at 40 Ridge Road for the construction of the Mowatt Memorial Methodist Church, which will begin shortly.

Taking his Fourth of July holiday, Robert Maglothin, of 46-C Ridge, a member of the church, donated his services and talents to clear the underbrush and trees from the construction site. Maglothin is employed by a Washington, D. C., construction firm. He also plans to contribute his services, in cooperation with the general contractor, to excavate the foundation and grade the property.

To cost approximately \$55,000, the first unit will contain a combination pastor's study and church office, four meeting rooms, kitchen facilities, boiler-room and rest rooms. Scheduled for completion before the first of the year, the unit is the first step of three needed to complete the entire structure, according to J. Richard Hoffman, of 4-H Crescent, chairman of the building committee. The ultimate cost of the entire project is expected to exceed \$220,000. While \$15,000 has been received from various Methodist sources, the local members have accepted the responsibility of raising the remaining amount and will welcome gifts from the community, Hoffman indicated.

Rev. Stanley F. Knock, Jr., recently of Nashville, Tennessee, has been appointed full-time minister of the Mowatt Memorial Methodist Church, which currently meets for services in the North End School.

Vacation School Starts At Community Church

The Annual Vacation Church School at Community Church will begin this Monday, July 12, at 9:30 a.m. Classes will meet in the Social Hall and Fellowship Center.

Mrs. Dorothy Rhodes and Mrs. Ann Braund are co-directors of the school, and Mrs. Dorothy Galvin is registrar. In charge of the Kindergarten Department will be Mrs. Alvin Tucker; Primary Department, Mrs. Marge Taylor; Junior Department, Mrs. Jean Schneider and Mrs. Mildred Kern.

The teaching staff will include Mrs. Della Domchick, Mrs. Bernice Brautigam, Mrs. Marcia Halpin, Mrs. Dorothy Hawley, Mrs. Kitty Turner, Mrs. Elsie Svoboda, Mrs. Mary Goldsmith, Mrs. Wanda Mullers, Mrs. Zoe Forrester, Miss Peggy Ford, Miss Helen Weber and Miss Nancy Rhodes.

All children from age five up are invited to register for the week. The 50c registration fee will help defray costs of films and refreshments. Registration will be at 9 a.m. Monday, and classes will be from 9:30 to 11:30 daily, through Friday.

Library Reading Club

Hi Pardon! Only 4 more weeks to go in the reading club at the library. So round-up that reading and get those reports in.

Some cowgirls and cowboys have rounded up their 15 reports and are waiting in the corral for their certificates. Not so, Leslie Galvin of 1-C Woodland Way and Alexis Pogorelskin of 9-G Ridge! They have kept on reading, rounded up 25 reports and roped themselves a horse along with their certificates. The rest of you may do the same. Just read 'em and bring 'em in.

Cooperator Members Discuss Name Change

Subscription Rate Reduced

The Greenbelt Cooperative Publishing Association Board of Directors met at the Cooperator office last Tuesday evening, with staff members Ellie Ritchie, L. A. Lee, and Russ Greenbaum also present. A motion was passed by the board to reduce the annual Cooperator subscription rate to \$2.00, effective immediately. Along with a subscription drive, it was proposed that an advertising campaign should also be discussed in detail at the next quarterly membership meeting of the Association planned for Thursday, July 22, at 2-E Westway. Refreshments are planned.

Also on the agenda of this quarterly membership meeting is a proposal to change the name of the Cooperator to one recommended by the Board. The Board will offer the names Greenbelt Observer, Greenbelt Spectator, and Greenbelt Review as choices. The idea of changing the name of the Cooperator has been considered for many years, but the Association's membership had never selected a suitable alternative.

County Sponsors Photo Contest On Playground

A Playground Photo Contest is being sponsored by the Prince Georges County Recreation Department in cooperation with Lochner's Photo store in Hyattsville as part of the summer program conducted by the Department. The contest is open to all boys and girls, six through seventeen years of age.

All pictures must have been taken on one of the playgrounds or at any of the programs conducted by the Recreation Department. Pictures may be of sports, games, craft classes, children boarding buses for trips, special events, playing on apparatus or other playground activities.

Prizes will be donated by Lochner's to winners in four classes, divided according to age. Entries will close on July 30. Entry blanks can be picked up at nearest playground, at Lochner's, 5208 Baltimore Ave., Hyattsville, or by calling the Recreation Department, APpleton 7-2207.

County Day Camp Still Has Openings

Forty youngsters climaxed two weeks of camping at the Prince Georges County Recreation Department's Day Camp with a cook-out, council ring and sleeping under the stars, Thursday, July 1. Certificates of woodsmanship were presented to the children by Mrs. Bernice Sheridan, Day Camp Director. The program has included nature, crafts, out-door cooking, Indian lore, weekly swimming trips, and camp skills.

The second session of the Day Camp opened on Monday, July 5 and extends through Friday, July 16. Openings are still available for the third session, which opens July 19 and the fourth session, opening August 2.

The Day Camp is located off Tanglewood Drive, Riverdale, in the Maryland-National Capital Park and Planning Commission park. Indian teepees, a council ring, a stream and trees provide an ideal setting for the Camp.

Calendar Of Events

Friday, July 9 - GVHC meets on Hamilton Place at 8 p.m.
Friday, July 9 - GCS Board meets above Drug Store in Greenbelt at 8 p.m.
Monday, July 19 - City Council meets in City Office above Variety Store.

Residents Cast Votes On Wearing of Shorts

Residents of Greenbelt will have an opportunity to express their opinion on the subject of the wearing of shorts at the commercial center in a special poll to be sponsored by the Cooperator. A ballot box will be located at the center all day Saturday, July 10, for this purpose.

Ballots will be available at the ballot box for voting. In addition, subscribers to the Cooperator may use the ballot printed in this issue (see page 4), which may be mailed in by those unable to get to the Center on Saturday. Those who intend to mail in the Cooperator ballot are urged to do so immediately.

Residents who wish to vote must sign their name and address, whichever ballot is used. This is necessary to make certain that the votes have been cast by bonafide citizens of the city. A husband and wife, if unanimous in their vote, may use the same ballot.

It is expected that the results of the balloting will be presented to the city council at its next meeting on Monday, July 12.

Scouts Elect Officers, Membership Growing

Daniel W. Bell was elected president of the National Capital Area Council, Boy Scouts of America, for the coming year at the Council's recent Annual Meeting.

Bell is president of the American Security and Trust Company and is active in civic affairs. This will be his fourth term as Scout President for the National Capital Area Council.

Serving with Bell will be George E. Muth, M. A. Morrison and Harry L. Merrick, vice-presidents; Dr. Leonard M. Elstad, Scout commissioner; F. Elwood Davis, treasurer; Paul J. Seltzer and Arthur J. Sundlun, assistant treasurers; A. Murray Preston, general counsel.

"Boy Scout membership in the National Capital Area Council increased 17.7 per cent in the period ending May 31, 1954," Percy H. Russell, Jr., chairman of the Organization and Extension Committee of the National Capital Area Council, stated in an annual report at the meeting.

As of May 31 there were 27,079 boys enrolled in the area Scout Units and 806 Units. Figures a year ago were 23,017 boys and 725 Units.

Independence Day Activities Attract 8000 For Fun, Games and Fireworks

An estimated crowd of 8,000 people flocked to the lake last Monday night to witness a long, thrilling display of fireworks which culminated a full day of activity in Greenbelt in celebration of Independence Day. Families from in and out of Greenbelt drove, walked and rode (piggy-back) to the lake picnic area for the annual event. Before the fireworks display, games and pony rides were enjoyed and just prior to the main event minor displays of released helium-filled balloons amused the crowd.

DISHPAN HANDS By Science Features

A woman's work is never done, according to an old maxim, but very few people regard housework as injurious. Yet the housewife does know occupational diseases. Dishpan hands or, as it is known when more serious, housewives' eczema, is becoming more and more common.

In a study of 145 cases of eczema of the hands Dr. Matthew J. Brunner of Chicago found that 108 patients were housewives. The doctor described the ailments as starting with dryness, redness and scaling which, when the condition became more severe, led to cracks in the skin, crusting and blistering.

Continued dunkings in hot water and soap are responsible for the condition, along with other household culprits such as ammonia water, bleaches, detergents and solvents (as in waxes and polishes).

Treatment, based on the idea that the eczema is primarily due to irritation and the skin is extremely sensitive to household agents, is simple. The doctor said that "cosmetic cleansing creams are sometimes useful," and that petrolatum, boric acid and zinc oxide ointments are also recommended.

Serious outbreaks demand the attention of a physician who will check for secondary infection. Dr. Brunner reported that "antibiotics are given orally and sometimes produce spectacular improvement." Terramycin orally administered for five to seven days was preferred over drugs that are applied to the skin to fight infection.

The most important point for the patient is to remove the irritating causes. Possibly to the dismay of other members of the family, Dr. Brunner stated that "the patient is urged to do only a minimum amount of housework . . . and to enlist the aid of husband or children in dishwashing and other kitchen duties."

The day began with an hour-long parade of floats, military marching units, baton twirlers and rescue and fire trucks from the surrounding area. Leading the parade were mounted state police, followed by the Chief of Police and his assistant in a brand-new Corvette. Chief "Laughing Bull" and his protegee "Grinning Calf", genuine pseudo-Sioux Indians, rode their faithful ponies.

Many youngsters from the city drove decorated bikes.

Following the parade a day-long series of events took place at the lake area, halted only temporarily by rain. The weather turned somewhat cooler in the evening, but this deterred no one.

Prize-winners for the parade were:

Trophies to: (1) Best appearing pumper apparatus - Branchville; (2) Oldest piece of motor apparatus in service - Kentland; (3) Company from farthest distance in service - Forestville; (4) Ladies auxiliary best appearance in line of march - Beltsville; (5) Best appearing ambulance - Laurel; (6) Best equipped rescue truck - Hyattsville.

Best commercial float - GVHC; best civic float - Community Church; best youth float - Little League; best horse-drawn vehicle - Cipriano's.

The following were awarded prizes, but the children have not called for their awards. They are asked to contact Ben Goldfaden to receive their prizes: best decorated bicycle - 94; best decorated wagon - 72; best costume, girl - 39; best costume, boy - 41.

Fishing Lines

By Lee

Plenty of big bass are being caught in the lake. I personally have witnessed several of them though I am there very little of the time. I hear some comments that there are no fish in the lake and that it's almost impossible to catch bass there. That isn't right as there seem to be plenty of fish there—all you have to do is be there at the right time with the right kind of bait (and know how to use it) and you will come out with fish. Get down there and see what you can do. Even if you don't have the good fortune of coming out with a two or three pound bass or better, you will have a lot of fun.

You kids who are interested in learning a little about fishing can come down to the Greenbelt Chapter of the Izaak Walton League's fishing school every Wednesday evening at 7:30 p.m. and register for the school and we will teach you how to catch fish. All kinds of instructions in all types of fishing! No charge at all, just be sure to bring your own equipment with you. Last Wednesday approximately 30 children were present and I don't believe very many of them went home without catching a fish and having a lot of fun doing it. Parents are welcome to bring the children down and watch them have fun. This program continues all summer until the latter

No. 48

Short Subject

The Cooperator has plunged into an experiment in community relations, which we feel will serve a useful purpose. We have decided to sponsor a poll of the residents of Greenbelt to find out how they feel about the ban on the wearing of shorts, included in the 15-year-old city ordinance forbidding the wearing of several kinds of attire in the commercial center.

The Cooperator is not going to take sides on the issue of whether or not shorts are proper to wear in the city's business area. However, we feel that if there is a substantial expression of opinion by residents in favor of permitting the wearing of shorts by men and women, then the city council should seriously consider the lifting of the ban. On the other hand, if the response to the poll is small or there is a large vote against shorts, then it would have to be accepted by all concerned that Greenbelt is content to have this ban.

This, of course, places the burden on those who feel that it is unjust to forbid the wearing of such a generally-worn garment as a pair of shorts in the heat of summer while shopping at the center. Apparently, however, this is the only way. Admittedly the ordinance—which also forbids the wearing of bathing suits, bathrobes, kimonos (are they still worn?), and housecoats as well as shorts by those over 14 years of age—was passed by the city council without formally referring to the wishes of the residents. However, the present city council may feel with some justification that, unless there is a loud outcry against the ordinance or any part of it, most residents of Greenbelt are satisfied with the status quo. (R.G.)

AN ORDINANCE PROHIBITING THE WEARING OF BATHING SUITS, BATH ROBES, KIMONOS, HOUSE COATS AND "SHORTS" AND/OR "HALTERS" WITHIN THE TOWN OF GREENBELT.

ORDINANCE NO. 31

SECTION 1

BE IT ORDAINED by the Council of the Town of Greenbelt, Maryland that it shall be unlawful for any person fourteen (14) years of age or older to wear bathing suits, bath robes, kimonos, house-coats and what are known as "shorts" and/or "halter" within what is commonly known as the mercantile area of the Town of Greenbelt.

This area is more clearly defined as the stores, post offices, theatre, business offices, barber shop, beauty parlor and the walks and plaza between or abutting on the aforementioned buildings wherein these mercantiles are located.

SECTION II

BE IT FURTHER ORDAINED that this ordinance shall not apply to recognized organizations such as boy scouts and girl scouts.

SECTION III

BE IT FURTHER ORDAINED that any person or persons violating any provisions of this ordinance shall be deemed guilty of a misdemeanor, and shall, upon conviction, be fined not less than Two (\$2.00) Dollars nor more than Twenty-five (\$25.00) Dollars for each offense.

SECTION IV

THIS ordinance shall take effect July 1, 1939. Passed by the Council of the Town of Greenbelt, Maryland in regular meeting, June 26, 1939.

The Local Paper Leads

In the comparatively recent past, the local newspaper was about the only place where merchants could advertise their wares. Since then, other important media have come into existence — notably the radio and television. But, despite the inroads these have made on retailers' advertising budgets, the newspaper is still the dominant factor in the field by a wide margin.

That statement is substantiated by a recent survey of the advertising practices of department stores in all sections of the country. It found that the typical store allocated 80 per cent of the advertising dollar to newspapers, nine per cent to television, four per cent to radio, three per cent to direct mail, and four per cent to other media.

The local newspaper offers the surest means of reaching the masses of the people — whether with a news story or an editorial opinion or an advertising message. And that's why merchants place it first when dividing up their advertising appropriations.

Incidentally, one wonders if there are still people who regard advertising as a waste which adds unnecessarily to the cost of goods. Actually advertising acts as a possible factor in holding prices down by creating the widest possible demand for merchandise, and thus making mass production and mass distribution possible.

PROMOTION DAY OUR BOY CAME HOME proudly waving his grade placement card. We feel pretty important to have one in first grade, one in second, and another well on the way to kindergarten (will it ever be free again?) We're naturally concerned with what all these new housing developments in Greenbelt will do to the school situation. We don't know whether the authorities have thought much about it, or whether anything will be done to prevent a prolonged emergency from developing. It's a tough problem faced by the whole county, but here's where it is all too likely to strike home with great force and suddenness.

MY FRIENDS' CHILDREN WERE AMONG THOSE contributing to the Shiren Art School exhibit at the library. Sculptures, paintings, seascapes, landscapes, animals of prehistoric and modern times reveal talent, feeling, imagination I didn't suppose nine to eleven year olds possessed in such abundance. I mentioned this to a friend in my court. To my remark about how satisfying it must be to a child to do such fine work she replied, "I would be satisfied to be able to do it myself!"

The Long View

By A. C. Long

I enjoyed reading the Cooperator's quarterly appraisal of the GVHC Board. It is R. G.'s sincere and frank impression, based on his personal point of view—and his point of view is that of a dyed-in-the-wool "cooperator".

Without belittling his praise for the efforts and accomplishments of the individual board members—and in my opinion all the board members, this year and last, deserve some praise, because at best is a thankless job—I should like to comment briefly on the differences in view point between a "cooperator" and a "private enterprise business man".

A "cooperator" believes a board member should be appraised on the basis of his "committee activities" and especially the energy he devotes to "membership participation" in such committees. In other words a lot of members meeting in a lot of committee meetings, is ipso facto proof of a splendid board member.

For example, let's start with a good large maintenance committee. If a question of plumbing maintenance comes up, you form a plumbing maintenance sub-committee. That in turn can be broken down into committees on stopped up W.C.'s, a committee on leaky faucets, further subdivided into upstairs faucets and downstairs faucets, neither with any authority over outside faucets. The committee on hot water faucets probably belongs to the committee on heating and utilities. The committee on holes (garbage), poles (clothes), and moles (in the ground) cuts clearly across the major committees on utilities, grounds and maintenance.

It's wonderful indoor sport for "cooperators" who aren't happy spending an evening at home and want some place and some excuse to go to a "committee meeting". It reminds me of a large employer who has been most successful in preventing union organization of his employees. He keeps them all busy on shop committees, each and every employee is placed on one or more committees. "You see", he told me, "I keep them so busy on these advisory committees which really accomplish nothing, that they have no time to find out about prevailing wages and working conditions in the industry".

Now, as a dyed-in-the-wool "private enterprise business man" I believe the job of a board of directors is to manage a corporation by establishing policy and giving guidance to the manager and his staff so that they can and will operate efficiently without a lot of committees getting in their hair, and further to protect the interests of all members by their collective sound judgment and good common sense.

A few less committees and a little more sound judgment and good common sense would have saved us several hundreds of thousands of dollars when we bought these homes from PHA. I hope the membership never gets misled into judging a board member by how many nights he is away from his family on "committee meetings" rather than by his good judgment and common sense.

COMMENDATION

To the Editor:

Mr. Greenbaum is to be commended for his well-balanced editorial study of the first quarter's accomplishments of the GVHC Board. This type of examination has long been overdue and, with similar future reports, can serve as the best basis for intelligent voting at next year's election.

Emanuel Dondy.

Feature game of the Babe Ruth League week found Captain Barry Petroff's Variety Store nine bumping off Skipper Dickie Taylor's Service Station by 11 to 7 to tie the Gas Pumpers for the league lead at 3-1 apiece. Shortstop Billy Andrusic scored three times and had 3 singles and a double in 4 tries. Andy also stole 4 bases to bother the Gasmen. Ronnie DonBullian and Billy Morin helped out with 2 hits each and pitcher Jerry McDonald helped his own cause with a bases-loaded double. David Goldfaden and Dale White had perfect 3-3 and 2-2 respectively. Goldfaden drove in 3 runs and Bill Sandilands drove in two with his second inning double.

Powers and Flynn; White and D. Taylor.

On June 25 Variety Store trimmed Drug Store by a 12 to 9 count. Donnie Estep, Bob McKenzie and Bill Morin were the offensive stars. The smaller Estep brother had a single and double in 4 tries; McKenzie collected 2 singles in 3 tries and catcher Morin punched out 3 singles in 4 tries. For the Drug Store Eric "Bud" Moore got 2 for 4 and Bob Canning drilled out a pair of singles and a double for a perfect 3-3.

Drug Store 0 1 1 2 3 2-9 8 2
Variety Store 5 2 0 0 4 1-12 9 5
Iveson and Mike Canning; Jerry McDonald and Morin.

June 28th's game found Supermarket on the short end of an 11-9 score in their skirmish with Barry Petroff's Variety Store. Captain Petroff led his team with 3 for 3. Shortstop Ken Dean and leftfielder Bern Boisvert had 2 for 3's for the 'Market.

Variety Store 0 0 4 4 3-11 6 2
Supermarket 0 1 2 3 3-9 7 3
Barron and Morin; Hogan and Flynn.

Captain Dickie Taylor's Gas Station copped a 7-2 victory over Captain Mike Canning's Drug Store June 29. Pete Bowman was the only boy on Braden Field that morning to get more than one hit. The tall first sacker had a 2 for 3.

Service Station 2 0 4 0 1-7 5 2
Drug Store 0 1 0 0 1-2 2 4
Dick Taylor and White; Link and Mike Canning.

July 1st found the Drug Store on the long end of a 6-3 score over luckless Supermarket. Wes Hogan of the losers had a 2 for 4 to be the only batter in this game to grab off more than one hit!

Supermarket 0 0 1 0 0 2-0 3 8 4
Drug Store 3 2 0 1 0 0 0-6 2 3
Powers and Flynn; Iveson and Mike Canning.

Little League

By E. DonBullian

Pirates 13—Indians 5. Winning pitcher - Gelberg, who struck out 6 and allowed only 3 hits. Shelton was the only extra base hitter with a double. The pitchers for the losing team, Hyland and Dye, only allowed 5 hits. Other hitters were Tierney, Sharp, Langanecker, Farrar, Barcus, Hyland and Dye. The Indians used 13 players.

Coop 11—Wildcats 10. Winning pitcher - Ruppel, who allowed only 3 hits, until he was relieved, and struck out 5 in addition to getting a triple, a single and 2 RBI's. Billings, who relieved him, allowed 2 hits, struck out 2, got a single and 3 RBI's. The big hit was made by Hickey, a homer which brought his RBI's to 5 for the day. The pitchers on the losing team, Halpin and Murray, allowed 7 hits. Other hitters in the game were Schwann, Hodges, Gillette, Halpin, Holmes, Bartholomew, Moore and Murray. The Wildcats used 13 players in an effort to win the game.

Athletics 9—Giants 5. Winning pitcher - Emmert, who only allowed 5 hits, struck out 8, got a homer, 2 doubles and a single, getting 4 for 4 and 3 RBI's. If a Little League player can do more than that he should be in the Babe Ruth League. Schossler, the losing pitcher, gave up 6 hits, struck out 12 and banded out a homer and a double. He didn't do so bad either. Arensdorff of the Athletics had an unassisted double play in addition to a single for the day. Link and McCauley both got doubles while Endrees and Arensdorff of the Athletics got singles.

Tigers 30—Redbirds 8. Winning pitcher - Graff, who allowed 7 hits and got a triple, 3 singles and 4 RBI's in 6 times at bat. Hoffman got a homer and a single while Dean came up with a triple at the right time. Fink and Dalbow both knocked out 2 singles each in 4 trips to the plate. Endres had 5 RBI's and J. Miller had 4. McNally got 2 for 2 while McCarthy got 2 for 3. The Redbirds' 11 errors sewed up the game for the Tigers.

Wildcats 8—Giants 0. Winning pitcher - Ailstock, who pitched a perfect no hit, no run game against the Giants, the hardest hitting team in the League. He struck out 6 and got excellent support from his teammates. The last inning gives a good idea of the support he received. A fly was hit to Panagoulis who caught the ball but dislocated a finger which required a splint. In the same last inning 2 flies were taken by Bartholomew who was the batting hero of the game with a home run and 4 RBI's. Moore and Edwards both hit 2 singles in their two trips to the plate. The only other hitter was Bronstein, who played a good game behind the plate. McCauley and White, who pitched for the Giants, allowed 6 hits, but 4 errors behind them and Ailstock's great pitching decided the game.

Athletics 7—Coop 3. Winning pitcher - McCauley, who allowed 4 hits, struck out 15, got a homer, a single and 3 RBI's in his 3 times at bat. A very good showing. Hickey, the losing pitcher, also allowed 4 hits and struck out 6 but his teammates had 6 errors. Ruppel's triple was the only extra base hit of the game. Schwann got 2 hits in his 3 trips to the plate. Other hitters were Powell, Sherer and Huff. It was a tie game from the very first inning until the 7th, when the Athletics banded out 4 runs and settled it.

PARROTS HAVE ACHIEVED IMMORTALITY BY THEIR ABILITY TO REPEAT WORDS AND SENTENCES. YET PARROTS IN THEIR WILD STATE ARE NEVER KNOWN TO IMITATE THE SOUNDS OF OTHER ANIMALS! SOME PARROTS HAVE VOCABULARIES OF MORE THAN A HUNDRED WORDS—AND SOME OF THESE VERSATILE BIRDS HAVE ACTUALLY BEEN KNOWN TO APPEAR AS WITNESSES IN COURT WITH LEGAL RECOGNITION GIVEN TO THEIR TESTIMONY!

HERE ARE SOME WORDS AMERICANS ARE LEARNING THE TRUE VALUE OF: "BUY U.S. SAVINGS BONDS! THEY REPRESENT VALUE AND SECURITY! AND REMEMBER—BONDS ARE BETTER THAN EVER!"

Where's America?

ALTHOUGH CHRISTOPHER COLUMBUS MADE FOUR TRIPS TO THE WESTERN HEMISPHERE, HE NEVER ACTUALLY LANDED ON, OR SIGHTED ANY OF THE TERRITORY WE NOW KNOW AS THE UNITED STATES! AMONG THE ISLANDS HE ACTUALLY VISITED WERE SAN SALVADOR, CUBA, JAMAICA, ST. LUCIA AND MANY OTHERS.

HAVE YOU DISCOVERED U.S. SAVINGS BONDS? THEY ARE YOUR BEST INVESTMENT. ENROLL TODAY IN THE PAYROLL SAVINGS PLAN WHERE YOU WORK.

MAINE IS THE ONLY STATE IN THE UNION THAT IS TOUCHED BY ONLY ONE OTHER STATE. TENNESSEE AND MISSOURI ARE BOUNDED BY THE MOST STATES—EIGHT!

Lucky 77 for Marilyn

A BRAND NEW Marilyn Monroe picture on the current cover of Modern Photography makes her a cover girl for the 77th time... probably an all-time record. In addition to Marilyn, Modern tells how to take pictures of children and bears.

IT'S YOUR TOWN

KEEP IT CLEAN

DON'T BE A LITTERBUG!

QUITTING TIME

The clock's long pointer slowly creeps
Toward quitting time, then quickly leaps
When working hours are done;

The bang of drawers and shuffling feet,
Cacophonous, a cadence beat
As day its race has run.

The windows slam and blinds unfurl,
While rouge and powder change each girl
To freshness once again;

With runs in stockings quickly patched,
From racks and hangers coats are snatched
With fervor almost sane.

And long at last, with crisis past,
They leave once more for home;
From toil and fret and anxious sweat

Now free again to roam.
